

# CHICKEN OF THE SEA

9330 Scranton Road

**Prevost Construction** executed a build-out from cold shell space for Chicken of the Sea's San Diego office headquarters in just 12 weeks. Prevost collaborated with the space planner and design-build engineers to ensure the completion of a quality Class A office environment. Special features included pivoting doors to transform the main conference room into a large assembly area for company functions and special events.

**AMOUNT:** \$1.1 MILLION

**DESCRIPTION:** 28,000-SQUARE-FOOT CORPORATE HEADQUARTERS FACILITY

**CONTACT:** MOOCH CHRISTIANSON
