

SCRIPPS HEALTH CLINIC

9539 Waples Street

Prevost Construction was selected by Veralliance Properties, in joint venture with BioMed Realty Trust, for a 16,923-square-foot build-out valued at \$2.1 million for Scripps Health. The state-of-the-art facility is located in Sorrento Mesa. It is occupied by Scripps Clinic's pathology department and serves as an inpatient and outpatient testing facility for the areas of chemistry, hematology, coagulation, immunology and flow cytometry.

AMOUNT: \$2.1 MILLION

DESCRIPTION: 16,923-SQUARE-FOOT LABORATORY FACILITY

"Within our industry, there is a tremendous need for a general contractor that possesses the technical expertise to perform renovation work in a laboratory environment with precision, speed, and sensitivity to budget constraints. Prevost Construction has demonstrated its ability to meet the needs of our tenants in all of these areas and the company delivers a top quality project."
